

CALVARY CHAPEL SAINT PAUL

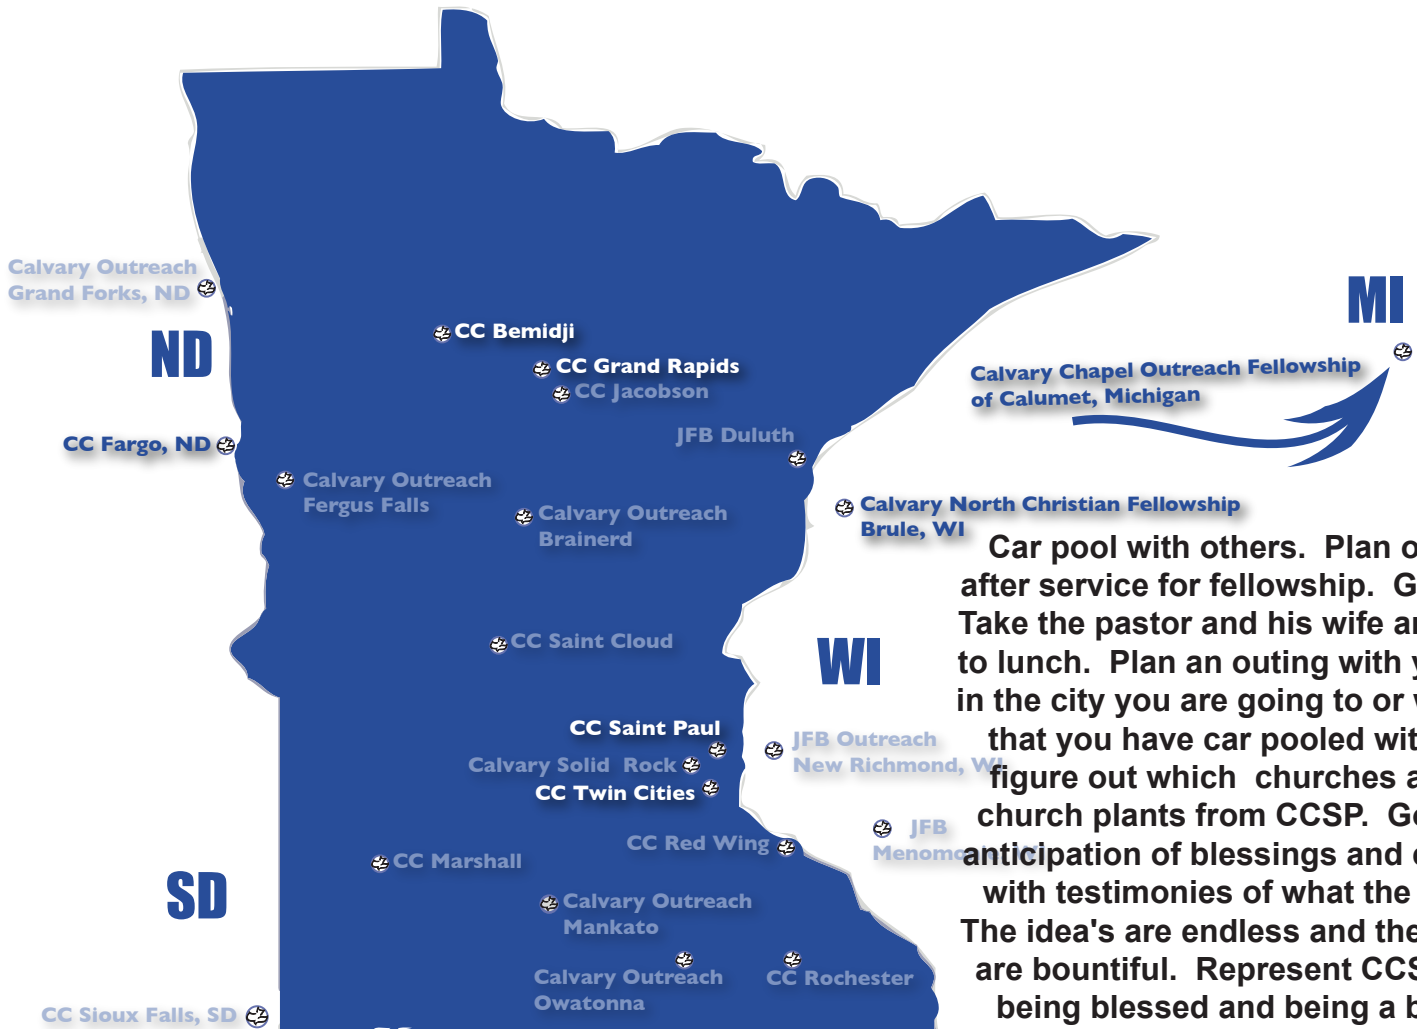

3rd Annual Church split

SPLIT UP... SEE THE UNITY OF CHRIST...

Sunday February 7th, Calvary Chapel Saint Paul will not meet for regular service at the Holiday Inn. CCSP will resume regular service Sunday February 14th.

The vision for this annual split is to go and fellowship with the other Calvary Chapels in our region and experience what the Lord is doing in the those communities.

This year we encourage you to go and fellowship with Calvary Chapel Bemidji, Calvary Chapel Fargo, Calvary Chapel Twin Cities, Calvary North Christian Fellowship Brule, Calvary Chapel Grand Rapids, and Calvary Chapel outreach fellowship of Calumet, Michigan.

Car pool with others. Plan on staying after service for fellowship. Go to lunch. Take the pastor and his wife and kids out to lunch. Plan an outing with your family in the city you are going to or with others that you have car pooled with. Try to figure out which churches are direct church plants from CCSP. Go out with anticipation of blessings and come back with testimonies of what the Lord did. The idea's are endless and the blessings are bountiful. Represent CCSP well by being blessed and being a blessing.
